There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,

The Christian Co-Operative Colony. Located at Sunnyside, Yakima Co., Washington

Its promoters have investigated a number of other states, including Tennessee, Louisiana, Texas, Colorado, Arizona, California and Utah. They feel assured that in their selection of Sunnyside, Washington, that they have made a wise choice, where

1. The climate is healthful and pleasant. No cyclones, no thunderstorm and no sunstrokes.
2. There is the greatest variety of fruit, vegetables and general farm products reaching perfection.
3. The conditions for raising all kinds of stock, and for dairying are the most favorable.
4. There are fewer flies and mosquitoes than are found in the average locality in the Mississippi valley.
5. The soil is of unexcelled fertility, and is six to forty feet deep.
6. Lands can be had from first hands.
7. All is under one of the most reliable and perfect systems of irrigation in the United States. The supply of water is greater than the demands of the country can ever require.

Up to date the following persons have investigated and purchased lands:

- C. Rowland, Lanark, Ill.
- H. M. Lichty, Carleton, Neb.
- Joseph Stitzel, Lanark, Ill.
- D. M. Fike, Carleton, Neb.
- S. J. Harrison, Falls City, Neb.
- Jacob W. Miller, Waterloo, Ia.
- J. E. Laird, Lanark, Ill.
- D. B. Eby, Lena, Ill.
- Sam H. Miller, Waterloo, Iowa.

These parties have already begun the improvement of their lands and do not expect to stop until every foot of their purchase is in cultivation. Any person interested can correspond with any of the above, enclosing stamp for reply.

Each land owner operates his own tract. The "Co-operation" consists in advertising and developing the country materially, socially, intellectually and religiously.

The promoters are Dunkards in religious faith, and care will be exercised to preserve the identity of both conservative and progressive branches of the church. We hope to establish a great stronghold of Christianity in the Yakima valley upon the favorable conditions existing. For descriptive pamphlet, address
